

"CLEAN-UP-DAY" COMES ON FRIDAY

Ladies of Civic Improvement League are Backed by Officials and Citizens

PRESENT MEMORIAL TO CITY COUNCIL
ASKING ENFORCEMENT OF ORDINANCES

Proclamation by Mayor and Announcement of School Holiday by Trustee

DR. W. K. NISBET OUT
IN OFFICIAL CALL FOR
GENERAL CLEAN UP

League Authorized by Council to Employ Teams and to Provide Inspectors

LEAGUE ANNOUNCES
THE WORKING PLAN

"CLEAN-UP-DAY" HOLIDAY

To the Patrons of the Earlington Schools:

Believing that in no way can all the people of Earlington, young and old, of all races and all conditions, do so much good in one day as in a general observance and active and vigorous participation in the work of "Clean-Up-Day", arranged by the Earlington Civic Improvement League and given hearty endorsement and official backing by the Honorable Mayor and City Council; and believing that my action will have your general and warm approval, I now proclaim a half holiday on Friday afternoon, May 10th for all the children both the white and the colored schools, and call on children, parents and teachers to use this opportunity greatly to further the work of cleaning and beautifying our City on this our first official "Clean-Up-Day."

Respectfully,
PAUL M. MOORE,
Trustee.

May 6th 1912.

The City Council meeting last night was an unusually interesting one and resulted in the approval by that body of the proposed "Clean-Up-Day, Friday of this week, planned by the ladies of the Civic Improvement League and the issuance of a proclamation by the Mayor calling on all citizens, white and colored, to join in this movement for a big day of spring cleaning to put our city in the list of progressive and orderly places known for their cleanliness and good works in sanitation and conservation of the health of all citizens.

The League was represented by four of its officers, Mesdames F. B. Arnold, A. O. Sisk, W. L. Morrison and M. B. Long, who were, by their request, accompanied by Prof. C. E. Dudley, acting as spokesman for them. A memorial from the League was presented and read by Mrs. Morrison, secretary, which is printed below, asking that provisions in the city ordinances affecting the cleanliness and health of the city be strictly enforced. Upon motion by Councilman Evans this memorial was referred to a committee, composed of Councilmen Cansler, Oldham and Atkinson, to consider and act upon the recommendations contained in the memorial, which reads as follows: Earlington, Ky., May 6th.—We, the Civic Improvement League of Earlington, Ky., beg leave to present the following memorial to your honorable body. The City Council of Earlington, Ky.,

PROCLAMATION

WHEREAS, the peace, prosperity and happiness of a community is, to a great extent, dependent upon the health of same, and whereas proper precautions at this particular season of the year can and will insure health in a wide-spread way and freedom from disease, NOW, THEREFORE,

I, Frank D. Rash, Mayor of the City of Earlington, Kentucky, do hereby proclaim and designate Friday 10, 1912, as "CLEAN-UP-DAY" for said City, and do call upon, request and urge all good citizens, both white and colored, to observe this day in the most complete and thorough manner.

The City Council has voted to defray the expenses necessary to the removal of all dirt, garbage and waste material which may be collected by each individual citizen on his premises. It is to be hoped that each good citizen will gather up in barrels and boxes all wastes and garbage, place these on the street in front of his premises, after which the same will be removed as above provided.

The Civic Improvement League will lend its best efforts to the success of this all important movement and all unite in hoping that "CLEAN-UP DAY" for 1912, may save the lives of many. Let this be carried out with thoroughness and vigor.

FRANK D. RASH, Mayor
PAUL P. PRICE, City Clerk.

FIRST—

That you designate Friday, May 10th 1912 as CLEAN UP DAY for Earlington, and this applies to the colored, as well as the whites.

SECOND—

That the ordinance, in regard to ash piles and coal piles, or other obstruction in street (No. 21 page 31 in city ordinance) be rigidly enforced.

THIRD—

That more garbage cans be placed for waste paper and refuse on street and provision made for emptying same.

FOURTH—

That all slop barrels and garbage cans, breeding places for flies, be required to be kept covered.

FIFTH—

That the City ordinance No. 1, under head of nuisances, page 27 be enforced.

SIXTH—

That for Friday, wagons be provided at the City's expense, sufficient in number to remove garbage and debris collected, same day as collected, and that bills be printed at city's expense to notify citizens of CLEAN UP DAY.

Signed—

Mrs. F. B. ARNOLD, Pres.
Mrs. A. O. SISK, 1st V. P.
Mrs. N. W. UMSTEAD, 2d V. P.
Mrs. W. L. MORRISON, Sec.
Mrs. M. B. LONG, Treas.

An important suggestion em-

EARLINGTON

REAL ESTATE

Increasing in Value—Several New Residences Going up and Quite a Lot of Improvement Being Made

CARPENTERS AND CONTRACTORS GETTING BUSY

A moderate sized building boom has struck Earlington and real estate is rapidly increasing in value. With the assurance of one of the chief officials of the L. & N. that Earlington will be the permanent location for the round house and headquarters for the train masters, train dispatchers and supervisors offices, that the old depot will be moved, rebuilt and modernized and extensive repairs made on the present round house, the citizens of this place have implicit confidence in its future prosperity and have decided to invest their money in new residences. town lots and various improvements. In addition to the several buildings to be erected by the St. Bernard Mining Co., the following have decided to build; L. E. McEuen a two story residence on west railroad street, Elmer Lyan will move his house further back on the lot on west railroad street and erect a modern two story residence. Brown Bros. have added two rooms and a hall to their house on east railroad street and it is now one of the prettiest residences on this street. Quite a number are having new fences and other improvements made and the carpenters and contractors are kept busy.

No More Dyspepsia.
Gas, or other Stomach Troubles. Nothing will remain undigested or sour on your stomach if you will take a little Digestez, a powerful digestive, harmless and pleasant as Maple Syrup. For sale by the drug department of the St. Bernard Mining Company, Incorporated.

APPLICANTS FOR SOFT DRINK LICENSE TO BE PASSED UPON

City Council Will Hold Adjourned Meeting to Act on Applications and Bonds

The Earlington City Council last night adjourned to meet again next Tuesday night, at which time will be taken up the applications for license to sell soft drinks, and the submission of bonds required in such case, under the recently enacted law regulating the sale of soft drinks. A nominal license is to be charged and a bond of \$500 required of each dealer, the purpose being to regulate and restrict the sale of semi-intoxicating drinks of the "Near-Beer" class. There will probably be only two applicants who will handle the latter class of drinks, and perhaps not more than a half dozen dealers all told.

Mrs. R. Brant, 1115 Paden St., Parkersburg, W. Va., had an attack of la grippe which left her bad kidney trouble, and she suffered much severe pain and backache. Then she heard of Foley Kidney Pills and says: "After taking them a short time the pain left my back and I am again able to do my own housework. Foley Kidney Pills helped me wonderfully." Sold by St. Bernard Mining Co. Incorporated, Drug Department.

Notice to The Public

I have purchased the Interest of T. H. Stone in the Livestock Stable. All parties indebted to the firm of Barnett & Stone will please call and settle at once.

Respectfully,
CHAS. E. BARNETT.

BELOVED AND OLDEST CITIZEN PASSES AWAY

Benjamin L. Rash, of Madisonville, Laid to Rest at Grapevine

ALMOST NINETY-TWO YEARS OF LIFE SPENT IN HOPKINS COUNTY

Yesterday afternoon the remains of Mr. Benjamin Louis Rash, the oldest and one of the best beloved citizens of Hopkins County, were laid at rest in Grapevine cemetery, followed and mourned by many relatives and a large concourse of friends. He died at his home in Madisonville Sunday morning at 10:30 o'clock, almost ninety-two years of age, after a long confinement to his room and bed following a fall he had which resulted in a broken hip. Tenderly and lovingly was he nursed and comforted through all his trial and suffering, but nature had run its course and could do no more, and so the end.

Mr. Rash was born July 31st, 1810, on a farm near Madisonville, just north of the Greenville road and about 200 feet west of the new "cut-off" of the L. & N. Railroad. His father and mother both died when he was about 4 years old, and his aunt, who was the wife of Uncle Harry Goodloe, took and reared him until he was able to support himself. His father was Stephen Rash and his mother Patsy Berry Rash, the father having come from

L. C. Wiley

Graduate Optician

L. & N. WATCH INSPECTOR

Expert Watch Repairer

Earlington, Kentucky

Clark county, and his mother from Fayette county. His grandfather, William Rash, was a distinguished preacher. Mr. Rash joined the Christian church in the early 40's. Was for years an elder of the Grapevine congregation, and at the organization of the Madisonville Christian church he was borrowed from Grapevine to help in the organization of the new church, of which he was one of the first elders.

His first marriage was to Miss Agnes J. Nisbet, on December 16th, 1846. Their children were Dr. A. F. Rash, who died some years since in Madisonville, O. W. Rash, of Henderson, Jas. R. Rash, of Earlington, Mrs. R. M. Salmon, of Isley, and Geo. W. Rash, of Madisonville. His first wife died January 2nd, 1877.

Mr. Rash's second marriage

YESTERDAY is dead; forget it. **TOMORROW** does not exist; don't worry. **TODAY** is here—use it.

—Von Broecklin.

SHALL WE ALL CLEAN UP?

The movement for sanitation and conservation of health in Earlington, which The Bee has been advocating and exploiting in its columns, is gaining more and more in strength of impulse and crystallizing into action. It promises to literally sweep the city before, by and on Friday of this week, which has now been officially designated as "Clean-up-Day" for Earlington.

Last night the officers of the Earlington Civic Improvement League visited the City Council, presented a memorial urging that certain ordinances designed to control and regulate proper sanitation in the city be rigidly enforced, and requested that the Council designate Friday of this week officially as "Clean-up-Day" and that the Mayor so proclaim, and that the Council give the movement these official sanction and financial backing.

All this was cheerfully done and the Bee gladly gives large space today to the necessary publicity for this movement, in order that all our citizens may be fully informed, to the end that they may, as we are sure they will, enter with zeal into these good plans for a cleaner, healthier and more beautiful city.

Mayor Rash has issued his proclamation; Dr. W. K. Nisbet, our efficient Health officer, has published an earnest clean-up appeal; Chairman Trahern, of the Board of Health, has been active in vital matters affecting public health; Paul M. Moore, Trustee, has announced a half holiday for both white and col-

ored schools on Friday, that the children may take part in "Clean-up-Day." Merchants and all citizens to whom the matter has come are evincing a most encouraging and likely interest in this movement for the public health and welfare.

Let us not lose sight of the fact that Earlington has an enviable health record to preserve and to improve, as improve it we can through the general success of the plans laid for the cleansing of premises, killing of deadly flies, screening of meats and food products, the elimination of vile odors and all uncleanness, and the liberal use of lime.

We all believe in the efficacy of the things proposed to do. Let's all unite with enthusiasm and all our strength in this effort to make Friday the big, banner day for Earlington, a thorough and effective "Clean-up-Day."

At the Council meeting last night it was proposed to put off "Clean-up-Day" till next week to give more time for publicity. But the ladies of the Civic Improvement League thought the publicity through The Bee had already been and would now be so effective that no further delay was necessary. And so Friday May 10th is to be the Big Day!

The Bee's suggestion to "Clean Up or Be Cleaned" has struck in and has brought inquiries to Board of Health members and others and co-operation in the good work now occupying the minds of many Earlington people.

Always Blessed

with a Hearty Appetite if you use Digestez. It helps your stomach do the work, digests what you eat and makes good rich blood from your food. No more Sleepless Nights, Headache or Stomach Misery. Get rid of all these troubles with Digestez. Fifty cents a bottle, worth tenfold its cost, at drug department of the St. Bernard Mining Company, Incorporated.

Semi-Weekly Bee and The Evansville Courier \$1.50

Do you want all the political news from now until after election?

Send \$1.50 and receive the daily Courier and the Semi-Weekly Bee by mail from date until Nov. 10.

Every American prides himself on his knowledge of politics.

The Courier has as many Republican readers as it has Democratic. Because it prints ALL the news WITHOUT BIAS.

It carries the full Associated Press news, has special correspondents at every point in southwestern Indiana, southern Illinois and western Kentucky, as well as at the state and national capitals.

The Courier has clever cartoons, brilliant editorials, correct and complete markets, and is an interesting, instructive and fascinating paper.

Send \$1.50 now and enjoy the pleasure and satisfaction of the Courier daily and the Bee semi-weekly from now until after the election.

P. S.—Tell your neighbor or phone him of this offer. If you already take the papers send them to the absent ones or distant friends.

Address all orders to the Semi-Weekly Bee.

The Corbitt Studio

BEWARE

The Fly

WHEREVER SHE GOES DIS-EASE AND DEATH FOLLOW

Flies kill a greater number of human beings than all the beasts of prey, with all of the poisonous serpents added. They spread disease which slays thousands, while big powerful beasts will kill single victims.

The fly is a frequenter of filth; she lays her eggs in the manure pile or other objectionable filth. All the germs—all the imaginable, abominable microbes—fasten themselves on the spongy feet of the fly. She brings them into the house and wipes them off her feet. The fly you see walking over the food you are about to eat is covered with filth and germs. If there is any dirt in your house or about your premises, or those of your neighbors, she has just come from it. It is her home. Watch her as she stands on the lump of sugar industriously wiping her feet. She is wiping off the disease germs; rubbing them on the sugar that you are going to eat, leaving the poison for you to swallow.

She wipes her feet on the food that you eat, on the faces and on the lips of your sleeping children. This does more to spread typhoid fever and cholera infantum and other intestinal diseases than any other cause.

Many diseases which are attributed to milk and water originate through flies.

INTESTINAL DISEASES are more frequent whenever and wherever flies are most abundant. Flies and NOT the summer heat are the ACTIVE AGENTS in the SPREAD.

There is special danger when flies drop into such fluid as milk. This forms an ideal culture material for the bacillus. A few germs washed from the body of one fly may develop into millions within a few hours, and the person who drinks milk will receive large doses of bacilli, which may later cause serious sickness.

THEREFORE KEEP THE FLIES AWAY FROM THE MILK.

DON'TS

Don't allow flies in your house. Don't permit them near your food, especially milk.

Don't allow your fruit and confections to be exposed to swarms of flies.

Don't let the flies crawl over the baby's mouth or upon the nipple of its nursing bottle.

The "Hunky" and His Savings

Rough labor of the steel mills is done largely by a class known to practical steel men as "Hunkies," that is, Hungarians and other immigrants of similar kind. Not long ago one of these passed the superintendent of a steel plant and said: "Mr. Big Boss, I am going to leave." The "Big Boss" allowed that probably the mill would keep right on running, but asked why the laborer was quitting.

He was informed by the "Hunky" that he was going back "home" to live on his money. In response to questions, he added that he had been here ten years and had saved \$8,000. During this time his average wages were about \$15 a week, \$10 of which he banked regularly. The balance over his wage earnings had come from profits on a boarding house which he had run, charging \$2.50 a week for board and lodging for fellow-workman, and \$3 with meat once in a while. His case is said to be not unique.

BELOVED AND OLDEST CITIZEN PASSES AWAY

(Continued from Page 1.)

was to Mrs. Eudoxia Phipps on February 10th, 1881, and his second wife survives. Besides his sons and daughters enumerated above, his decedents include eight grandchildren and six great grandchildren.

Funeral services were held at 4 o'clock at the little church on East Broadway near his home, which church he himself largely built and supported, the services being conducted by Rev. S. M. Bernard, of Madisonville, assisted by Rev. H. J. Brazelton, of this place. The active pallbearers included his six grandsons and were as follows; Frank D. Rash, O. W. Rash Jr., Ben Rash, Ben Salmon, Edward Rash and Ernest Claytor. The honorary pallbearers were old friends of the deceased and most of them old citizens of Hopkins County, and were C. A. Young, John D. Langley, A. E. Reese, Jas. M. Nisbet, Chas. Sevmour, T. R. Cardwell, Geo. W. Figley and Elijah Bassett. There were many beautiful floral offerings.

Mr. Rash's long life has been one continuous story of righteousness and good deeds, with his influence always actively on the right side in all questions affecting the life and morals of the community. Guided by an enlightened conscience he walked at all times in the path of righteousness and service to those about him, and so proved to all who knew him the sincerity of his Christian character. He had filled well the various relations of life, as son, husband, father, brother, friend. He had borne adversity bravely and enjoyed prosperity quietly, using both his life and his means for good. He lived nobly and died peacefully at an advanced age, and when the end came he was found "as a shock of corn, fully ripe for the harvest." Not for him be our tears. Rather let us crown his grave with garlands of hope. Few of us will live as long or as well and fewer yet, perhaps, will the Angel of Death greet with such loving touch.

To The Public

We take great pleasure in thanking our many friends from Hopkins and adjoining counties for the courtesies shown us on the afternoon and evening of April 23, when we formally opened to the public our large Department Store on Main St.

On that day thousands of our friends and customers visited our new building, passed through the various departments and by their presence and enthusiasm, helped us make it the greatest event of the kind ever held in Western Kentucky.

Since then we have received many expressions of admiration and congratulation on the arrangement of our new home as well as on the quality of the merchandise displayed, and we are certainly very grateful for the many kind and complimentary things said about us.

To those who could not attend, we wish to say that we shall be glad to have you call at any time and will take pleasure in showing you through each Department. Remember we are always glad to have you pay us a visit at any time, whether you wish to buy anything or not.

It is our aim to have these social or visiting days from time to time in order that we may show our appreciation to our friends for their liberal patronage through which we have built up our rapidly growing business until it is recognized as one of the leading Department stores in this end of the state.

We have spared neither time nor money in the arrangement and equipment of our store, and have used every effort to make it as convenient and comfortable as possible for our customers and friends.

We have fitted out a cozy little "Rest Room" for the ladies, with rockers, chairs, tables, etc. where they may rest, read or write, and which is open at all hours of the day for your benefit. Don't fail to visit this cozy corner.

We shall be glad to see you at any and all times and shall endeavor to serve you as best we can.

Yours Truly,
THE McLEOD STORE

CONVALESCENTS

Those Recovering from Any Severe Illness

After a long wasting illness, convalescents require nourishing food that will not overtax the digestive functions—and in the way of a strength-restoring and vitality-making tonic, we know of nothing that equals Vinol, our delicious cod liver and iron tonic (without oil).

Vinol creates an appetite, re-establishes good digestion and helps the daily food to make rich blood, form flesh, strong muscles and impart new life and vitality to every organ in the body. We ask those who need a strength and flesh-building tonic restorative to call at our store and get a bottle of Vinol, with the understanding that if it does not help them we will refund their money without question.

Madisonville Notes

Hiram Bassett who has for two years past been with the firm of McFarland & Coffman has accepted the position with the C. E. Owen Hardware Co., which was recently vacated by R. H. Buok. As yet it is not known who will take Mr. Bassett's place.

Headaches Signs of Danger.

Anyone in this town that suffers frequently from splitting, nervous headaches ought to go at once to the drugist and get a 25c bottle of our Carlstedt's German Liver Powder. Headaches always indicate constipation in a dangerous form, that may result in other extremely serious ailments—sometimes even Bright's Disease and Appendicitis. Our Carlstedt's German Liver Powder acts on the Liver, the real cause of constipation—a few doses entirely remove the trouble—insure a lasting cure—never fails—guaranteed—if you have headaches, get a bottle today from the St. Bernard Mining Co., Incorporated, Drug Department. 25c a bottle.

Mrs. Sidney Laffoon, of the Southard country, was in town Saturday on business.

You Can Eat Anything.

Eat what your stomach craves without the slightest fear of indigestion, which is an awful feeling. You will not be bothered with Sour Stomach, Heartburn, Nausea, Bad Breath or Heavy Feeling if you will take one dose of Digesteze. It relieves and cures as if by Magic. Pleasant as Candy. Relief in one minute. Get a 50c bottle from the drug department of the St. Bernard Mining Company, Incorporated.

W. E. Bourland and wife, of Dixon, spent Friday night in the city with Mrs. S. M. Bourland.

Small Pox in Providence

An epidemic of small pox has developed in Providence Ky., and there is talk of quarantining the place. Some of the children who had the disease in a light form attended the public school before the nature of the disease was determined.

Ernest Brinkley, the reliable and up-to-date news dealer, of this place, has accepted a position with Hanna's Machine Shops.

PRINCESS SPECIAL!

This Popular Photo Play Theatre is now under new management and it's management guarantees its patrons high class entertainments.

Especially Adopted for Ladies' and Children

We are again running the "Worlds Best Pictures." You know what that means. "Lubins," "Biograph," "Kalems," "Essany," "Pathe," "Selig" and "Vitagraph."

THE FOLLOWING LETTER

From Dr. W. S. Higbee President of
State Board of Examiners is Self
Explanatory

May 1, 1912.—The newspapers of the smaller towns throughout the country are frequently solicited to insert reading advertisements for the Philadelphia School for Nurses, located at 2219 Chestnut St., Philadelphia, and as it poses as a beneficent and charitable institution these advertisements are inserted free of charge.

The Visitor of the Pennsylvania State Board of Charities in a report states: "Nothing to be seen worth reporting. No indication of lessons or instructions. Your visitor cannot commend this institution;" and in a letter says: "This last, places this institution under the head of those we condemn absolutely in our printed report."

It is advisable that the public should know that the young women who enter this school as pupils are sent out after having had the most meagre instruction from incompetent instructors, to nurse in private families for money, eighty per cent. of which is returned to the School treasury. They receive no bedside instructions nor are they under the direction of skilled and competent teachers.

The Chief of the Bureau of Health in his report to the Director of Health and Charities of the City of Philadelphia says: "I feel that it is an imposition on the public to allow this class of nurses to practice their profession, as the following circumstances connected with these cases of typhoid fever prove conclusively to my mind that these nurses are not properly trained to be entrusted with the noble work of nursing the sick."

The graduates of this school are not accepted by the American National Red Cross Society, nor the nursing corps of the Army and Navy; they are not admitted to the Directory of Nurses connected with the College of Physicians, Philadelphia, nor are they recognized by the Pennsylvania State Board of Examiners for Registration of Nurses.

I have given you this information for the reason that poor and ambitious young women, attracted by the advantages set forth in the free advertisements inserted in the newspapers all over the country, with great effort travel long distances to attend this school, in the hope of becoming trained nurses, only to find after entering that they are giving their time and work to an institution which does not educate and equip them for the profession of nursing.

In the interest of these young women of your locality I would ask that you give this statement as much publicity as possible.

Respectfully Yours,

WILLIAM S. HIGBEE, M. D.
President of the Pennsylvania
State Board of Examiners for
Registration of Nurses.

NO CAUSE TO DOUBT

A Statement of Facts Backed by a Strong
Guarantee

We guarantee immediate and positive relief to all sufferers from constipation. In every case where our remedy fails to do this we will return the money paid us for it. That's a frank statement of facts, and we will want you to substantiate them at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies are unsurpassable and ideal for the use of children, old folks and delicate persons. We cannot too highly recommend them to all sufferers from any form of constipation and its attendant evils. That's why we back our faith in them with our promise of money back if they do not give entire satisfaction. Three sizes: 12 tablets 10 cents, 36 tablets 25 cents and 80 tablets 50 cents. Remember, you can obtain Rexall Remedies in Rochester only at our store.—The Rexall Store, St. Bernard Mining Company Incorporated, Drug Department.

Lively as a Boy.

If you are tired, run down, have no appetite, get a bottle of Yucatan Chill Tonic. A few doses will set you up—give you a boy's appetite—make you strong and lively as a twelve-year-old. Purifies the blood and strengthens the system. 50c a bottle at the St. Bernard Mining Co., Incorporated, Drug Department.

WANTED—To Trade for a Farm

A stock of goods consisting of \$1,000 worth of Clothing, Dry Goods, Hats, Mens' and Women Shoes, and Men's Furnishings. Will sell very cheap. If interested apply to Merchant, Henderson, Ky. (In care) Henderson Gleaner.

"CLEAN-UP-DAY" COMES ON FRIDAY

(Continued from page 1)

nating from the League, that ladies be designated as inspectors, to look over the city and inspect the work of the clean-up and to report to the Council any failure to meet the requirements, was heartily approved.

When the delegation entered they were graciously welcomed by Mayor Rash, who suspended the business then before the Council and invited the ladies to present their case.

Expressions from all the councilmen showed their hearty approval of the movement and a general appreciation of the help brought by the ladies of the League, the Board of Health, the Health Officer, Dr. W. K. Nisbet, and all others who are taking a lively interest in this most timely movement for civic betterment and cleanliness. The ladies were authorized to employ, at the City's expense, as many teams as might be necessary to haul away the garbage and trash that will be cleaned up around the home premises and alleys of the city on next Friday—"Clean-up-Day."

E. M. Trahern, chairman of the Board of Health, was present and presented some pertinent statistics regarding deaths of infants during 1911, which, though few, were mostly in the summer months. He also spoke of the good work already done and planned by both our meat markets and the belief that our grocerymen and dealers generally would do voluntarily what is necessary to screen food products against contamination from the deadly fly.

Paul M. Moore, trustee of the Earlington Schools, has issued an address proclaiming a half holiday for both schools on Friday afternoon and calling on children, parents and teachers to use this opportunity to further the work of "Clean-up Day." This address is published in these columns.

A Texas Wonder

The Texas Wonder cures kidney and cures diabetes, weak and lame backs, rheumatism, and all irregularities of bladder troubles, removing gravel, the kidneys and bladder in both men and women. Regulates bladder troubles in children. If not sold by your druggists will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment and seldom fails to perfect a cure. Send for testimonials from Ky. and other states. Dr. E. W. Hall, 2928 Olive street, St. Louis, Mo. Sold by druggists.

May Sell Beer

The Bank of England has the right to sell beer without a license. The privilege was granted to the bank in its charter of incorporation under the Great Seal July 27, 1904. The bank does not take advantage of the privilege.

THE PRAISE CONTINUES

Everywhere We Hear Good Reports of Doan's Kidney Pills

Earlington is no exception. Every section of the U. S. resounds with praise of Doan's Kidney Pills. Thirty thousand persons are giving testimony in their home newspapers. The sincerity of these witnesses, the fact that they live so near, is the best proof of the merit of Doan's. Here's an Earlington proof.

John W. Davenport, Earlington, Ky., says: "I still use Doan's Kidney Pills occasionally and consider them an excellent remedy for kidney trouble. The more I use this preparation the better I like it. You may continue publishing my former testimonial. I suffered from kidney trouble more than tongue can tell. My back was so sore and lame that I could not work for days at a time and the kidney secretions were scanty. There was a constant pain in my head that almost blinded me. I became dizzy, dark spots would float before my eyes, and I would reel like a drunken man. Nothing did me any good until a fellow workman told me he had used Doan's Kidney Pills with success. I obtained a supply at the St. Bernard Mining Co. Incorporated and it was only a few weeks before they corrected my troubles."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

PREACH ON CLEAN-UP DAY

Ministers Prepare the Way for Owensville Renovation

Owensville, Ind., May 5.—The first annual "Clean-up-Day" will be ushered tomorrow at sunrise. The indication is that the proclamation issued by President Grant Teel of the town council, designating Monday as "Clean-up-Day" will be generally observed. In fact, the first skirmish against rubbish, refuse etc., took place Saturday when several express-wagon loads of tin cans, old fence wire ashes and other rubbish and junk were hauled away.

From their pulpits today the ministers of the town spoke words of praise for the inauguration of a "Clean-up-Day" in Owensville. The Rev. M. E. Abel, of the Methodist Church, the Rev. G. W. May, of the Cumberland Presbyterian church and the Rev. L. W. Spann, of the General Baptist church urged their congregation to exemplify the spirit of civic duty and join with neighbors and friends for an observance of "Clean-up-Day." Disease breeding germs will have to Ismay out of town in a hurry tomorrow or suffer death in front of the shovel, rake, and broom.

Salmon-Cowell

Miss Della Salmon, one of Earlington's fairest daughters and Mr. David Cowell, a very popular young man and son of Judge Cowell, our popular postmaster, will be married Wednesday morning at 6 o'clock at the Methodist parsonage by Rev. Brandon. They will then take the early morning train for St. Louis and will visit there and at Cincinnati on their honeymoon. Miss Salmon is the daughter of Mr. and Mrs. John Salmon and is a popular young lady and quite a musician. Mr. Cowell is a valued employee of the L. & N. and is chief clerk to Master Mechanic Salmon.

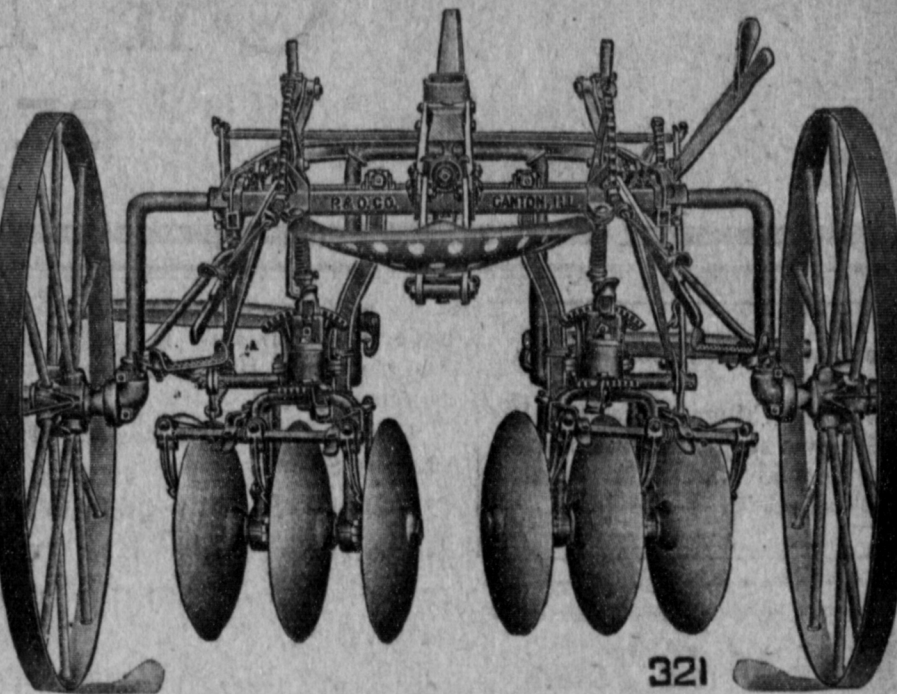

This young couple have a host of friends who wish them a long, happy and prosperous life.

John R. Staton, Joyce, Ky., had an exceptionally severe attack of whooping cough. He says: "If it had not been for Foley's Honey and Tar Compound I would have been compelled to quit work. Instead, I never missed a day, and Foley's Honey and Tar Compound gave me instant relief and is the only cough medicine we ever use." Contains no opiates. Sold by St. Bernard Mining Co. Incorporated, Drug Department.

Farming Made Easy

By the use of

P. & O. Rival Disc Cultivators

This is an exact reproduction of the celebrated Disc Cultivator. In the construction of this cultivator every objection has been overcome and results can be secured with it that are not possible with any other style. Write us for catalogue, or better still, call at our store and let us show the P. & O. Rival. We also handle the world renowned Plows and Harrows and will make satisfactory prices on same.

Plain Hardware Co.
Madisonville, Ky.

NOTICE

In order to preserve the health of the community, it will be absolutely necessary to give this town a thorough scrubbing. This is the season when a thorough cleaning of your own premises might prevent the disseminating of typhoid germs or other death dealing diseases that might invade your or your neighbor's home.

CLEAN UP

It only takes one time to do it, put all your old tin cans in a barrel and it will be carted away, burn all rubbish and trash that will burn, use lime plentifully and do not allow stagnant pools of water to stand about your premises, see that all out houses are thoroughly cleaned and put in proper condition, do not throw slop out the back door or window, because it makes an excellent breeding place for flies and other disease bearing insects. These precautions are necessary in order for the town to maintain its high degree of freedom from mortalities which has been attained here in the past.

Very respectfully,

W. K. NISBET, M. D.

Health Officer
